

RSRE Research Academy - Level 1 Module Pack

Research Foundations

These six student-facing packs correspond to the first Level 1 modules and are designed as the core reading material for the Academy. They are intentionally beginner-friendly and include explanations, examples and practice guidance.

What Is Health Research?

Use the matching PDF in RSRE as the primary learning material for the module.

The Health Research Lifecycle

Use the matching PDF in RSRE as the primary learning material for the module.
